Ariel Ruiz-Contreras is our December Star Student! She has such a big and kind heart. She always comes to class with a smile and is always willing to help others.

Jr. Kinder

At the beginning of the school year, **Arabella Garcia** was a quiet and shy student, but she has blossomed into a confident and enthusiastic learner. Her incredible growth is evident in her willingness to participate actively in class discussions and activities, especially as we delve into the teachings of the Bible and learn to follow God's path for our lives. Bella has shown a remarkable enthusiasm for exploring scripture, demonstrating a genuine desire to understand and apply God's word in her daily life. I am proud of Bella for stepping out of her comfort zone and embracing the joy of learning. Keep shining, Bella! Your journey of faith and learning has just begun!

Kinder

Layla Soliz is full of light and creativity, but most of all, she leads with utmost integrity. She possesses traits that identify her as a student who can be trusted, a friend to all, responsible, and counted upon. She is honest and makes sure that she is showing and doing her best every day!

First & Second Grade

I would like to recognize **Abraham Urbina** as our star student this month.

He is a hard working student that puts so much effort in his work and in learning. He not only follows the school rules but also our classroom rules. It's an absolute pleasure to have him in my class!

Third Grade

In Preschool, we congratulate **Ms.Dina Romero!** Thank you Ms.Dina for all of your effort this past month. During November, we were blessed by many new preschool students. Ms.Dina has been essential with helping families and students acclimate to our school. She has exhibited hard work, patience, and a tenderness her students are drawn to.

Staff

In Elementary, we recognize **Ms.Jackie Cardona.** She is the newest addition to our teaching staff. I love how Ms.Cardona is not afraid of a challenge. She stands firm and does not waiver. She works diligently to facilitate a productive and loving classroom climate. She is always on the go. In fact, I have often seen her working on a Saturday morning to prepare for her week.

Middle School's Star Student works diligently. He gives 100 percent, whether it be academics or extracurricular activities. He also has a very kind heart. Everyday he greets his teachers and classmates with a smile. He has adapted well to middle school and is a joy to have in the classroom. Keep excelling **Ethan Landaverde!**

Middle School

My Star Student this month is **Jonah Ochoa.** What I love most about Jonah is his enthusiasm! He loves to have a great time. He works hard to play hard. I am proud of Jonah for having the ability to self reflect and try to be the best version of himself with each new day. Thank you Jonah for keeping me updated with the latest dance moves!

Fifth Grade

This month's star student is **Reyna Arredondo.** She consistently goes above and beyond, always offering a helping hand, completing her work on time, and showing kindness and dedication in everything she does. She even helps take care of our chicks and guinea pig without ever seeking recognition, making her a true role model in our class.

Fourth Grade
